

RESTORE THE PRIDE MEETING FEB. 21, 2013 6pm

Attendance: Rod White, Andy Sibley, Mark Graffam, Andrea Gifford, Chuck Neely, guest: Brett Hoogterp

Meeting began by having Brett go over new plans of press box and bleachers to be funded by the current athletic budget and the involvement of Sargent-Corp. The other new change is going from a 6-lane track with 8-lane straightaway to 8-lane around the entire track. Pricing for various work such as paving, fencing, rubber track is being checked by David Preble of Sargent-Corp.

Brett also discussed work to be done by a local contractor to build an entry-way to Victory Field.

Rod was pleased with the redirection the group was taking since the last time met because the last design project was, “too big for Old Town”. Rod was asked to price out track equipment and now with RTP under the RSU#34 Education Foundation and the pending 501 (c) (3) status hopefully when Mr. Peterson & Graffam approach possible donors.

Pending weather groundwork may begin as soon as end of March. Work on pressbox, construction by Rotary Club will be in summer along with bleacher installation and entry-way.

Meeting adjourned at 7:05pm
